

Our goal as the Cougar Pride Booster Club is very simple. Our only objective is to enrich the experience of our students by providing

them with the necessary equipment and facilities to be competitive in basketball, cross

country, drama, football, golf, journalism, speech, track, volleyball and wrestling.

The only way this objective can be accomplished is by the participation of parents and fans of the Cougars and Red Raiders in the booster club. By joining the booster club you can provide the financial and volunteer assistance to help us accomplish our goals. Also by joining you can share your ideas, your experiences, and voice your opinion.

We are looking forward to a great year and encourage each and every one of you to join the booster club. Be a part of the foundation. Join the Cougar Pride Booster Club.
